

Homery
HOME IMPROVEMENT

2026 COLLECTION

Fiberglass pools, from the first sketch to the first splash.

Seven pool lines, spa options, upgrades and full installation across Central Florida.

(407) 900-8791 · homeryus.com · contact@homeryus.com

WELCOME

One team, from permit to first swim

Homery Home Improvement designs, permits and installs fiberglass pools across Central Florida, and finishes the backyard around them with pavers, screens, fences and more. We're licensed and insured.

Three ways to buy

1

Pool shell only

Your fiberglass pool delivered to your home, ready for your own crew.

2

Shell + DIY kit

Add one of our equipment kits and install it yourself, with everything matched to your pool.

3

Full installation

We handle it all: plans, permit, excavation, installation, equipment and inspections.

Installation is optional and quoted separately.

Why fiberglass

Arrives finished

Built in a factory and delivered ready, so the work in your yard goes much faster than a concrete pool.

Made for Florida soil

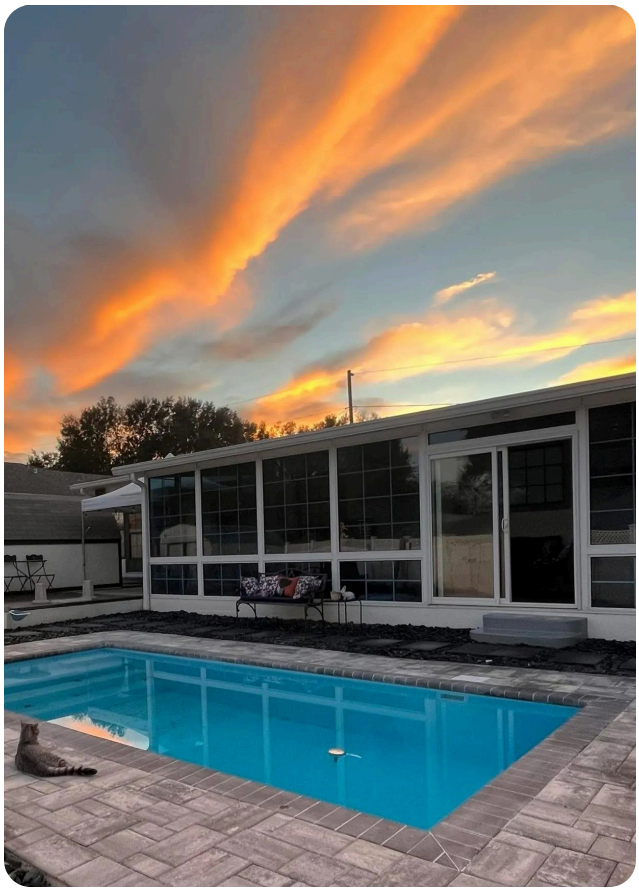

Fiberglass flexes slightly with sandy soil instead of cracking.

Smooth and low upkeep

The gelcoat surface is gentle on feet and resists algae, so you use fewer chemicals and clean less.

15-year structural warranty

Backed by a structural warranty, and we walk you through every detail before you sign.

POOL LINE

Key West

Our most popular line. Clean rectangle, wide entry steps and a bench, sized for most Florida backyards.

SIZE	LENGTH X WIDTH X DEPTH
K4	13'1" x 6'7" x 3'11"
K5	16'5" x 8'2" x 4'7"
K6	19'8" x 9'10" x 4'7"
K7	23' x 11'6" x 4'7"
K8	26'3" x 13'1" x 4'7"

Shell, top view

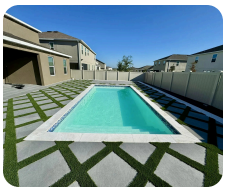

POOL LINE

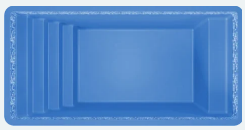

Miami

A classic rectangle with full-width steps, made for lounging and laps alike.

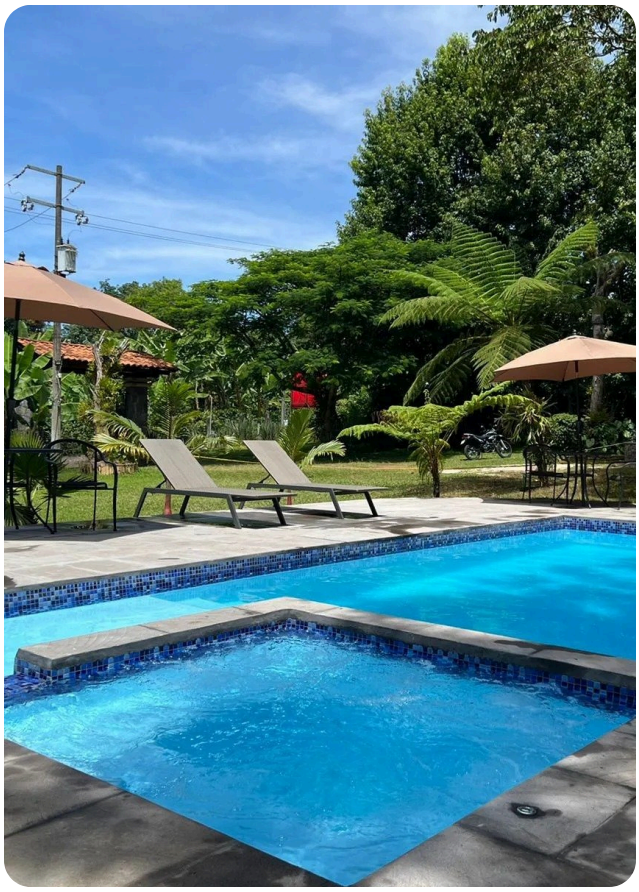

SIZE	LENGTH X WIDTH X DEPTH
M4	13'1" x 6'7" x 3'11"
M5	16'5" x 8'2" x 4'7"
M6	19'8" x 9'10" x 4'7"
M7	23' x 11'6" x 4'7"
M8	26'3" x 13'1" x 4'7"

Shell, top view

POOL LINE

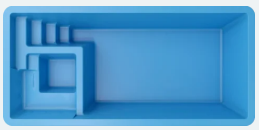

X-Line

Pool and spa in one shell. A modern look with a built-in spa you can heat on its own.

SIZE	LENGTH X WIDTH X DEPTH
X7	23' x 10'10" x 4'7"
X9	29'6" x 13'1" x 4'7"

Shell, top view

POOL LINE

Daytona

Soft, rounded lines that feel at home in tropical and garden backyards.

SIZE	LENGTH X WIDTH X DEPTH
D4	13'1" x 6'7" x 3'11"
D5	16'5" x 8'2" x 4'7"
D6	19'8" x 9'10" x 4'7"
D7	23' x 11'6" x 4'7"
D8	26'3" x 13'1" x 4'7"

Shell, top view

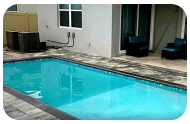

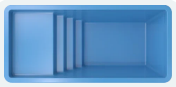

POOL LINE

California

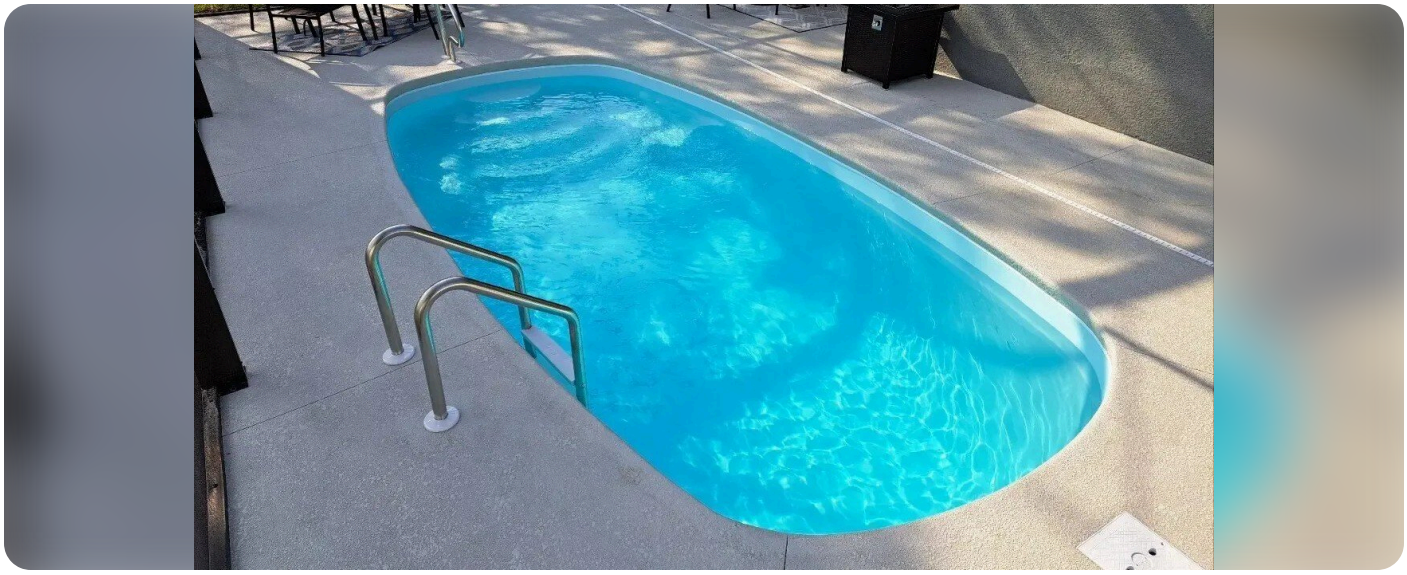

Long and slim, with a tanning ledge. A smart fit for narrow lots.

SIZE	LENGTH X WIDTH X DEPTH
C5	16'5" x 7'7" x 4'7"
C7	23' x 10'10" x 4'7"

Shell, top view

POOL LINE

Naples

A gentle 4'3" depth on the smaller sizes, great for families with young kids.

SIZE	LENGTH X WIDTH X DEPTH
N4	13'1" x 7'10" x 4'3"
N5	16'5" x 9'2" x 4'3"
N6	19'8" x 9'10" x 4'7"
N7	23' x 11'6" x 4'7"
N8	26'3" x 13'1" x 4'7"

Shell, top view

POOL LINE

Austin

Wide and roomy, with space to play, swim and gather around the steps.

SIZE	LENGTH X WIDTH X DEPTH
A4	14'4" x 7'10" x 4'7"
A6	21' x 11'1" x 4'7"
A8	27'7" x 13'1" x 4'7"

Shell, top view

SHELL COLORS

Every model in three colors

White

Bright, clear turquoise water. The classic resort look.

Blue

Deep, true blue water that hides leaves and shade well.

Gray

A natural lagoon tone with a modern, high-end look.

Want to see the colors in person? Visit the showroom in Orlando.

POOL + SPA

Add a spa to any pool

Choose a raised spa that spills into the pool like a waterfall, a separate spa, or the X-Line, with the spa built into the same shell. The spa heats on its own, so it's ready when you are.

Raised spa

8' x 8' x 3'6", spills into the pool.

X-Line

Pool and spa in one shell, in two sizes.

Heat on its own

Pair it with a heat pump for warm water year round.

OPTIONS AND UPGRADES

Make it yours

Pick the finishes and equipment that fit how you'll use the pool. We'll help you choose during your design.

Free bonuses: with a full installation, pick any 2 of the 5 upgrades marked FREE BONUS at no extra cost.

Heat pump

Heat and chill the water so you can swim more months of the year.

Paver deck

Pool decks and patios in pavers, travertine or porcelain, in the color you choose.

Tile on the waterline

Glass mosaic tile along the edge, like our Austin projects.

FREE BONUS

Stainless steel waterfall

A sheet of water falling into the pool. Great sound, great look.

FREE BONUS

Smart water monitor

Checks pH, chlorine and temperature in real time, right on your phone.

FREE BONUS

Premium equipment upgrade

Quieter, more efficient pump and filter that are built to last.

Saltwater system

Softer feeling water, with chlorine made from salt. No more buying jugs.

Travertine coping

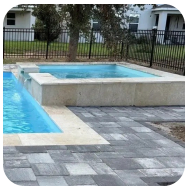

A premium natural stone edge around the pool.

FREE BONUS

Color LED lights

Color-changing lights with remote control for the night.

Raised spa

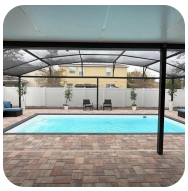

A separate spa that spills into the pool like a waterfall.

FREE BONUS

Robotic cleaner

Cordless robot that cleans the floor and walls for you.

Screen enclosure and fence

Keep bugs out and meet pool safety code.

AUTHORIZED MADIMACK DEALER

Premium equipment, installed right

madimack | Authorized Dealer

Upgrade to a quieter, more efficient equipment pad. As an authorized dealer, we size it for your pool, install it and set it all up before your first swim.

Variable speed pump

Quiet, energy efficient and built to run for years.

Cartridge filter

Crystal clear water with easy cleaning, no backwashing.

OPTIONAL

Salt system

Softer water that's gentle on skin and eyes, no harsh chlorine.

OPTIONAL

Heat pump

Warm water from spring to winter, so you swim all year.

Free bonus: the premium equipment upgrade is one of the 5 FREE BONUS options, so it can be one of your 2 picks with a full installation.

DO IT YOURSELF

DIY equipment kits

Installing the pool yourself? Pair your shell with one of four kits. Each one builds on the one before, so you only add what you need.

1

Basic Flow DIY Kit

Everything you need to get the water moving and clean.

The kit includes:

- Variable speed pump
- Sand filter
- Concrete equipment pad
- Skimmer (ships separately)
- Main drain fittings, installed
- Return fittings, installed

2

Clear & Bright Comfort Kit

Adds a saltwater system and color LED lights.

Everything in the Basic Flow kit, plus:

- Saltwater system
- Color LED light kit with niche (ships separately)
- Low-voltage safety transformer for the pool light

3

Four-Seasons Hydro Heat Kit

Heat the pool and swim more months of the year.

Everything in the Clear & Bright kit, plus:

- Inverter heat pump to heat and chill the water

4

Ultimate Smart Pool Solution

Control the pump, heat and lights from your phone.

Everything in the Four-Seasons kit, plus:

- Smart pool automation
- Smartphone app control

FULL INSTALLATION

What's included

Design and permits

- Free on-site visit and measurements
- Signed and sealed engineering plans
- Building permit and city fees
- All required inspections
- Permit handling and project coordination

Pool and delivery

- Fiberglass pool shell
- Shell delivery to your home
- Crane service (if needed)

Installation

- Professional installation crew
- Excavation
- Dirt removal
- Plumbing
- Electrical
- Backfill
- Deck bonding (safety grounding)
- Concrete equipment pad

Equipment

- Variable speed pump (energy efficient)
- Sand filter
- LED pool light
- Skimmer
- 3 to 5 return jets
- 1 to 3 main drains

Peace of mind

- Fully insured company
- 15-year structural warranty

How it works

1 Plans and permit
Signed and sealed engineering plans, permit and city fees. Usually 40 to 60 days, depending on your city.

2 Excavation
We dig, level and pour a concrete slab base.

3 Delivery
Your pool arrives finished from the factory.

4 Pool set
The shell is set in place and leveled.

5 Plumbing
Lines to the skimmer, return jets and main drains.

6 Electrical
Power, bonding (safety grounding) and lighting.

7 Equipment
Pump, filter and any upgrades you chose.

8 Backfill
Filled, leveled and inspected.

9 First swim
Final inspection and handover.

From contract to first swim usually takes about 90 business days. Most of that is the permit.

Pay as we build

Just 10% to start. Every other payment comes after a step is done, so you never pay for work that isn't finished.

10%	15%	30%	25%	15%	4%	1%
Contract signed	Engineering plans ready	Permit approved	Pool shell set in place	Plumbing and electrical done	Backfill done	Final walkthrough

ABOVE-GROUND FIBERGLASS · PREMIUM LINE

A pool without the dig

Six models, from a 14 foot plunge pool to a 39.5 foot pool. They arrive fully assembled with an acrylic interior, and a glass viewing window, heater, salt system, pump and sand filter are included. Choose from 8 cladding finishes and 4 shell colors.

Retreat

14.3' x 7.6' x 3.66'

Our smallest model, with the glass viewing window built in.

Cove

17' x 7.6' x 5'

Compact spaces where you still want room to swim.

Lagoon

20.6' x 7.6' x 5'

Families, entertaining and vacation rentals.

Horizon

29.5' x 7.6' x 5'

A long swim lane with a wading section.

Oasis

29.5' x 7.6' x 4.6'

Pool and heated spa in one: 19' pool plus a 6.9' spa.

Vista

39.5' x 7.6' x 5'

Our longest model, with several glass viewing windows.

Upgrades: glass mosaic tile and a pool cover. Delivery, crane and the base are not included in the pool price.

ABOVE-GROUND FIBERGLASS · VALUE LINE

Place it, fill it, plug it in

Our most affordable pools. A fiberglass shell on a coated steel frame with weather resistant cladding, with the pump and filtration built in. It plugs into a standard 110v outlet, so no electrician is needed (220v optional).

AG14

14'9" x 7'9" x 46"

2,300 gallons

AG12

12'6" x 10' x 4'

2,300 gallons

AG17

16'6" x 9'9" x 4'

1,950 gallons

AG16

16' x 9'6" x 4'

3,000 gallons

Three ways to install

Above ground on a level base, semi-inground with the equipment raised, or fully inground.

Options

LED accent lighting, raised equipment for a semi-inground install, and a swim jet on the AG16.

Good to know

ETL approved for safety and construction. Delivery, crane and the base are not included in the pool price.

BEYOND THE POOL

More for your backyard

One team for the whole project, so the pool and everything around it are planned together.

Pavers and pool decks

Pool decks, patios, walkways and driveways in pavers, travertine and porcelain.

Screen enclosures

Keep bugs and leaves out and enjoy the pool year round.

Fences

Safety and privacy fences that meet pool code.

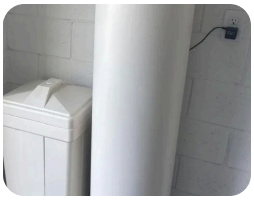

Pergolas

Wood and aluminum pergolas for shade around the pool.

Summer kitchens

Outdoor kitchens, from a simple grill station to a full setup.

Water filtration

Whole-home water softener plus reverse osmosis drinking water at the kitchen sink.

Solar

Solar panels to bring down your power bill.

FREE DESIGN

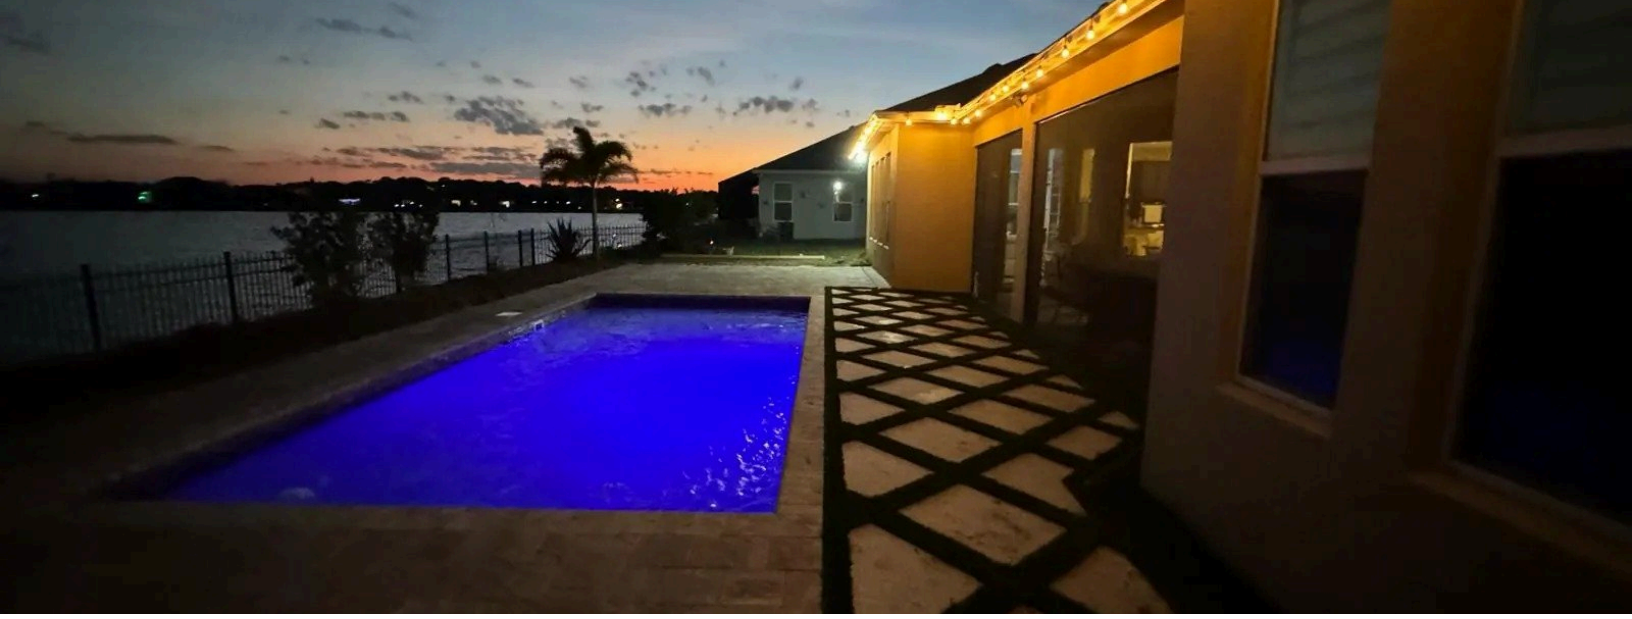

See your pool before we dig

After the site visit we design your backyard with the pool, deck and upgrades you chose, free. Change anything before we start.

A real backyard next to the free design we made for it. The design is a rendering, not a photo of the finished pool.

Visit the showroom

See the pool models on display in Orlando, near the airport. Walk in them, see the colors and ask anything. Visits are by appointment.

Financing

Monthly payments with our lending partners, or use your home's equity with local banks. Seeing your options won't affect your credit score.

HEARTH · Acorn Finance · HFS Home Improvement Loans

Where we work

Based in Orlando, working across Central Florida and beyond.

What our clients say

> *"The entire process was amazing from beginning to end. They took care of the permits, installation, and inspections, making everything easy for us."*
>
> **Haley James**

> *"I just got my pool installed and everything went smoothly."*
>
> **Andy Martinez**

> *"They were easy to deal with, the prices are fair, and the services are high quality. I definitely recommend them!"*
>
> **Alan Silva**

How to get started

1. **15 minute video call.** We talk about your backyard, the models, price and financing.
2. **Free site visit and design.** We measure your yard, mark the pool and show you the design.
3. **We build it.** Plans, permit and installation, start to finish.

We speak English, Spanish and Portuguese.
